EXCHANGE CLUB BACKS COMMUNITY CENTER PLAN

At their regular Tuesday night meeting the Albany Exchange Club held a roundtable discussion on the need for adequate recreation facilities for this city and went on record as favoring the construction of a public recreation building for the young people of Albany.

President Art Smith will appoint a committee to work with the American Legion Youth Committee in support of the project. Club members, by unanimous vote, empowered Secretary Harley Cornell to write Mason Layton, temporary chairman of the American Legion Youth Committee, pledging the Exchange Club's full support in seeking public approval of the plan.

Smith also announced that the Exchange Club, in cooperation with W. I. Garren, manager of the Albany Theater, will present a preview of the March of Time picture "Children in Trouble" on Friday and Saturday, Feb. 20 and 21. The picture will be air mailed here from New York for its first California showing.

The showing of this film is in line with the sponsorship of National Crime Prevention Week by Exchange Clubs all over the country. Smith said that "Children in Trouble" is a fast moving and entertaining featurette dealing with juvenile delinquency and crime. It carries a vivid portrayal of the causes of crime and concludes with a unique presentation of effective methods of prevention.

The Exchange Club and the management of the Albany Theater are sending special invitations to city and school officials and administrators of youth groups in this city to be their guests at the preview showing. Smith urges every parent in Albany to see this picture as it is vital, challenging and timely.

Magazin, past president of the high school unit and past president of Cornell PTA.

Local units contribute \$25 each to the California Congress of Parents and Teachers Scholarship Fund for each honorary life membership. The money derived from these memberships is used by the State Congress in its revolving fund to help deserving students secure a higher education.

KATHE ZAHN ANNOUNCES CANDIDACY FOR COUNCIL

Mrs. Kathe S. Zahn of 907 Santa Fe Ave., Albany announced her candidacy Tuesday for council membership in the Albany city election, April 12th. Mrs. Zahn is seeking election on a "public spirited citizens' ticket." She filed as an independent candidate with the endorsement of housewives and a large list of property owners.

Mrs. Zahn has "championed" numerous "one-woman" campaigns which have resulted in many civic, welfare and community improvements.

Mrs. Zahn believes that since every phase of government affects the home, women should assume their share of the responsibility of government management. Her campaign will center around health, public transportation, traffic control, recreation, development along the waterfront, and last, but not least, taxes.

Mrs. Zahn, a graduate of Dr. Scherler's Private Girls College in the former Free City of Danzig, had a general classical education with particular emphasis on languages. She has resided in Albany since January, 1929; is a property

owner and has raised a family of three children. Her husband, Dr. Victor Zahn, has been a research-chemist for Shell Development Co. in Emeryville since 1929. Mrs. Zahn is a member of the Berkeley Council of Social Agencies and served on the Veterans' Welfare Committee of the Oakland Postwar Planning Commission.

Family Education Chosen as Theme Of Forum Series

A Forum Series centering around the central theme, "Family Life Education" will be conducted by the Albany Evening High School for four consecutive Thursday evenings, Feb. 26 to March 18 inclusive, 8:00 to 10:00 p. m. in the auditorium of Cornell School, 919 Cornell Avenue. Each year since 1944 the Evening High School has presented a forum series as an educational service to the people of Albany. The theme for the current series was selected in response to the large number of requests for a parent education course to embrace a discussion of the child from the pre-school through the adolescent period.

The four meetings will each consist of a lecture followed by an open forum discussion, in which the audience will actively participate, under the leadership of the speaker of the evening. They will include the following topics and speakers:

February 26: "Parent and Pre-School Child Look at Each Other"—Ernst Wolff, M.D., Chief of Pediatrics, Mt. Zion Hospital, San Francisco.

March 4: "The Pre-Adolescent at Home and in School"—Christine Sears, M.D., gynecologist associated with the Child Development Center of the East Bay Children's Hospital.

March 11: "Adolescence—Whose Problem Is It?"—Lenora M. Bayer, M.D., Assistant Clinical Professor of Medicine, Stanford University, (Continued on page two)

Soroptimist News By BEA RAYMOND

The Soroptimist Club of Albany met at Gaeta's Coffee Shop, Wednesday, Feb. 18. In the absence of President Bea Williams, vice-president May Olson presided. We do not like to accuse our president of anything but having no official notification as to her whereabouts and establishing the fact that it was her birthday, we were each left to draw our own conclusions. Speaking of birthdays, Wednesday was also the birthday of Miriam Gilseman, dean of girls at Albany High School. The club as usual gave her the happy birthday song.

Acting President May called for the introduction of guests. Kay Hill introduced Edith Doyle of San Francisco. Janet O'Keefe introduced her mother, Mrs. Burns of Los Angeles. Mildred Hein introduced Laura Gamos of the Gamos Cleaners and Tailors in Albany. Sally Nelson of the General Hardware, program chairman, took over. She had as her speaker, Helen Grant, executive director of the YWCA in Oakland. Helen gave us a very enlightening talk on the YV work. Our Club has been casting about for a worthy project and are especially interested in this program and it will certainly receive considerable consideration.

Our club is rather elated to know that one of our members is receiving state and national recognition. I am speaking of Minnie Lou Eakin, builder, who a year ago was recognized in the Soroptimist National Magazine for having the clever Slogan: "A Builder of Homes by a Woman for Women." Minnie Lou is state president of the California Federation Democratic Women's Club. She is in Washington for the Jeffersonian Dinner. While in Washington she will attend a tea given by the Congressional Democratic members at their club house and also a tea at the White House. She will then fly to Chicago to attend the National Housing Association Convention. Minnie Lou is flying to these various spots and will return in ten days. Incidentally she is being sent by the California Federation Women's Democratic Club. We think Minnie Lou is quite a gal and we are proud of her.

Tarr and City Attorney George Glavinovich to attend a meeting in San Francisco on Feb. 26 to study the situation of over-all bay transportation.

MORGAN'S MEANDERINGS By M. S. T.

It took the combined efforts of first his secretary, Ruby Helen Fricke, and then his wife to get Ed Howell off to the Founders' Day meeting of local PTA groups on Wednesday of last week. The trick was to get him there without his knowing that he was to be one of the honored.

The flu bug called at Call Brothers Jewelers this week and sent Hubert Call and his wife, Ruth, both home for the battle of the bug.

Police Officer Kenny Nickerson has gone the rest of the local badge boys one better in the new look created by their change of uniforms. He has added a "dazzling" growth on that area between the lips and the nose reserved for such purposes.

Being a guy who goes for good eats, you can bet Morgan will be going often to Carter's at San Pablo and Solano for that Bordelais bread Carter features with his delicious spaghetti and other tasty dishes.

Stanley Williamson, 1042 Evelyn Ave., got a big send off party on Monday night of last week just before he left to rejoin the Navy from which he parted as a Lieutenant Senior Grade. He is going back in to service to bring up to date his book on electronics written during the war.

A thing of beauty is the hand crocheted tablecloth displayed in the window of the Solano Studio just off San Pablo Ave. Some lucky lady in the Exchange Club will get it at a drawing next month.

Albanyans who know him were not too surprised when the news came out Monday that Willard "Bill" Alton had been promoted to assistant advertising director of the Berkeley Gazette. A good man on a good paper.

The singing of Pierrette Alarie brought to Albany a new high in classical entertainment on Wednesday night when she appeared here as the second artist in the present Community Concert series. Miss Alarie was called back for three encores and the applause continued long after the last curtain.

Post 292 to Celebrate Twentieth Anniversary

Albany Post 292 will celebrate 20 years of organization on Friday night, Feb. 20 at the Veterans' Memorial Building.

James K. Fiske, Dept. of California Adjutant at the time the charter was presented to the local group in 1924, will be present to recall the incident. As James K. Fiske may as possible of the charter officers will be on hand to preside at the meeting. Members with 10 to 20 years service in the Legion will receive service badges signifying their years of membership.

A class of 15 candidates is to be initiated and Carl Waters will have a complete team of old time past commanders to put the recruits through the ritualistic ceremonies.

The entertainment committee, under the direction of LeRoy Holland, has arranged a program showing what Legionnaires of 20 years ago liked as entertainment in comparison with modern standards. Also comparing the old days when members would bring cakes and other foods prepared by their wives, Mess Sergeant Ammon A. Cook will present an outstanding menu of foods.

James Sartain, on the committee for the coming Smoker, has announced that Friday night will be the last time at which invitations will be available to members.

AS IT OCCURS TO ME By CLAIRE

EN FAMILLE

Family nights are the "new look" in entertainment these days. The Dads' Club of Marin School is receiving the good old movies for the relaxation of the whole family. Last Friday evening Saint Alban's Men's Club sponsored the first of their family movie nights with an interesting bill which included comedy the "Passing Parade," and "Mutiny on the Bounty." Tonight—Friday the 20th—the Community Methodist Church will present its fourth family movie night, featuring a pot luck dinner at 6:30—bring your own food and dishes—and "The Adventures of Tom Sawyer" at 7:45. Come for one or both. The evening is free, but an offering will be taken to defray the expense of the movie.

TROOP 42 MOTHERS

The Scout Mothers of Troop 42 met for their regular monthly meeting Tuesday evening, Feb. 17, at the home of Mrs. Geo. Frederickson, 1028 Tevelin, with Mrs. Roy Lockhart assisting. After refreshments (your choice of pastries) the order of business was conducted by the president, Mrs. Chas. Garrels. Plans were made for a pot luck dinner in April.

BRIDE HONORED

Judge and Mrs. Louis J. Hardie were hosts at a beautiful reception in honor of their new daughter-in-law, last Sunday, Feb. 15. This delightful event was held at th Hardie home, 1106 Curtis Street, Albany, and invitations were received by almost one hundred and fifty guests. You remember the bride was the former Alice June Knight and the romantic elopement to Port land with Laurance Hardie on Jun 5th. The Valentine motif was carried out, the table decorations being small corsages of carnations and violets. There was an orchid for June. Buffet refreshments were served, with Mrs. B. B. Berry, cousin of Mrs. Hardie, and Mrs. W. D. Taylor, Mrs. Hardie's niece pouring. Mrs. Geo. Neighbours of San Francisco, sister-in-law of th hostess, also assisted. Many out of town friends and relatives were present to offer congratulations and best wishes to the young people.

Marin Dads Club

Mrs. Kammerer returned to Albany last December from Kodiak, Alaska, where he husband, Ensign Jack Kammerer was stationed with the U. S. Navy. He is now based at Terminal Island, Long Beach, Calif., where Doris and Diane Elizabeth will join him shortly.

## HALF HAM MEANS GOOD EATING

The shank half of ham is a splendid meal for the average family. Roast it as you would a whole ham, and you'll find there's meat a-plenty for all. The gay garnish outline on the top is made with strips of candied cherries, and the same cherries center the sauteed pineapple slices around the edge of the platter.

TESTA  
FABRICS

A sirloin roast of pork is an economy treat for the whole family.  
It is budget-minded because it is less well-known, and therefore less  
demanded. Surround the roast with a rosy ring of cinnamon apples  
topped with toasted marshmallows, and it's a gala piece de resistance  
for February entertaining.

## Thank You

To the many friends and fellow  
merchants who were so generous  
with their floral offerings and kind  
remembrances at the death of our  
beloved husband and father, we  
wish to extend our heartfelt thanks  
and appreciation.

Mrs. John G. Herget and Family.

## SON BORN

A son was born to Mr. and Mrs.  
Peter R. Domasin, 903 Riley Drive,  
at 2:12 a. m. on Feb. 8 at the Her-  
rick Memorial Hospital, Berkeley.

In the silk industry, even the  
rough coating on cocoons is sal-  
vaged and worked into low grade  
yarn.

## Oakland Dog Show On March 6-7

The Oakland Kennel Club will  
hold its annual all-breed dog show  
on Saturday and Sunday, March 6  
and 7, at the Oakland Auditorium,  
according to announcement by  
Helen Rosemont, 2nd, show secre-  
tary.

The show, which will exhibit  
some 800 dogs, is expected to have  
the most extensive judging slate  
ever offered by the club.

For the convenience and com-  
fort of exhibitors, the entry will be  
limited, and those wishing to par-  
ticipate will do well to get their  
entries in early, Helen Rosemont  
states. Deadline for entries will be  
midnight, Saturday, Feb. 21. Entry  
blanks may be secured from the  
show secretary at 20 Sycamore St.,  
San Francisco 10, Calif.

Officers of the club are L. J.  
Burket, president; George Peters,  
vice-president; E. C. O'Dea, vice-  
president; and Peder Pedersen, sec-  
retary.

Experiments show that fruits put  
into frozen storage should be clean-  
ed of decay organisms, for some of  
these molds and bacteria can sur-  
vive 15 degrees F.

## Films on Bird Life Will Show at Marin To Aid Girl Scouts

Bird lovers will find much of in-  
terest in the beautiful kodachrome  
films to be shown by Laurel Rey-  
nolds in the Marin School Auditor-  
ium on Saturday night, March 6 at  
7:45 p. m. Sponsored by the Girl  
Scouts of Marin School, all proceeds  
from the show will go toward the  
\$30,000 funds being raised for the  
purchase and development of a sum-  
mer camp site for the Girl Scouts  
of the Berkeley, Albany-Kensington  
area.

Mrs. Reynolds, wife of an Oak-  
land physician, Dr. Eric Reynolds,

LAUREL REYNOLDS

is nationally known for her nature  
photographs. The film she will show  
is entitled "Fun With Birds" and  
has taken years to compile. It is  
of special interest to Bay Area  
residents as it deals entirely with  
the bird life in Mrs. Reynolds' gar-  
den in Piedmont and other easily  
accessible places in Alameda county.  
Children and adults will find it  
equally entertaining.

Among the stories told in vivid  
color are "The Tale of Timmie the  
Robin," life history of a Western  
robin from blue egg to adult robin-  
hood; the family life of the Bush-  
tits, master builders who start and  
complete their pouch-like nest while  
the film runs; "Birds of Prey, More  
Sinned Against Than Sinning,"  
with the glamorous great horned  
owl and the puzzling affair of the  
male wood duck and the mallard  
maidens.

Tickets are 50 cents for adults  
and 25 cents for children. They may  
be obtained at the Girl Scout House,  
1810 Shattuck Ave., Berkeley or  
from the Girl Scouts and Brownies  
of Marin School.

SELECT "AMERICAN"  
COLONIAL CRYSTAL  
FOR HOSPITABLE HOMES

Recently recreated by Fostoria,  
modern "American" retains the  
affection and popularity of its  
proud ancestry. Every facet in  
this antique, geometric pattern  
has a jewel-like capacity for re-  
flecting light and color.  
Authentic in design, "Ameri-  
can" reproductions are rich  
companions for the cozy sim-  
plicity of colonial homes. And  
equally congenial in French  
Provincial or in any distin-  
guished modern interior.  
Fostoria's "American" is an  
open stock pattern, available  
in a complete assortment for  
every table service. Luxurious  
crystal! But durable and excep-  
tionally inexpensive! In fact,  
some "American" pieces cost as  
little as 50c each.  
The wise hostess or the gift-  
wise giver will be pleased to see  
our extensive displays of "Ameri-  
can" crystalware, they are hand-  
made by Fostoria craftsmen.

# SAVE ELECTRICITY!

## HERE'S HOW YOU CAN HELP IN THE POWER EMERGENCY

### IF YOU RUN A BUSINESS:

1. Turn off all window lights and electric signs.
2. Use no floodlighting—either exterior or interior.
3. Use electric power only when necessary.

### IF YOU RUN A FACTORY:

1. Curtail power consumption wherever possible.
2. Stay off the "Peak"—Avoid use of electricity between the hours of 4 and 8 p. m., shifting operations to other hours wherever possible.
3. Check your plant and offices to eliminate all waste of electric power.

### IF YOU ARE AT HOME:

1. Light no unused rooms.
2. Use appliances for as short periods as possible.

### IF YOU ARE A FARMER:

1. Shut down your pumping plants wherever possible between 4 and 8 p. m., shifting your irrigation schedule to other hours of day or night.
2. Use electrically-power equipment only when absolutely necessary.

EVERY KILOWATT HOUR YOU SAVE WILL CONTRIBUTE TO THE GENERAL WELFARE

# Lowest fares are good in chair cars & coaches

on our finest, fastest trains!

No other form of low-cost transportation gives you the comfort, convenience, luxury and safety you get in chair cars and coaches on Southern Pacific trains.

You can read, write, play cards, enjoy the scenery, or sleep, as you ride. There's plenty of room to move around and stretch your legs. Most trains are air-conditioned and offer porter service. You'll find meals delicious, prices moderate, in dining and coffee shop cars. (Eating on the train is half the fun of traveling.)

The engineer does the driving. You relax, snug and comfortable no matter what the weather outside. Steel rails are the safest highway ever built.

You'd expect all this to cost a lot—but it doesn't. Hardly more than before the war. And low coach and chair car fares are good on our finest, fastest trains: The City of San Francisco and San Francisco Overland, San Francisco-Chicago, the Golden State and Imperial,

Los Angeles-Chicago; the Sunset Limited, Los Angeles-New Orleans; the Beaver, San Francisco-Portland; and the Daylights, between San Francisco-Oakland-Sacramento and Los Angeles. Seats on many of these trains are numbered and reserved. Reservations should be made in advance.

Remember, too, children under five years of age ride free, five to eleven inclusive for half fare.

Next time, try chair cars and coaches on S. P. trains.
